Dear Hunt:

STAT  
Your letter of 2 November was brought to my attention upon my return to the city, and I was, of course, pleased to learn that  is interested in working for this organization.

He has been interviewed in our personnel office and took our employment test on 10 November, as scheduled. It will take a little time to process the results, but we will notify him as soon as we are ready for the next step. I hope that something may come of this and I will let you know of our final action.

It was good to hear from you and perhaps we will have a chance to get together in the coming months.

Sincerely,

SIGNED
